

Greece has demonstrated a continued commitment to modernizing its military and will have no difficulty absorbing this additional sustainment support into its armed forces.

The proposed sale of these services will not alter the basic military balance in the region.

The principal contractors for this proposed sale are L3Harris International, Melbourne, Florida; Lockheed-Martin Aero Corporation, Fort Worth, Texas; Collins Aerospace, Charlotte, North Carolina; Northrop Grumman Corporation, Falls Church, Virginia; Raytheon Company, Waltham, Massachusetts; and Atec, Incorporated, Houston, Texas. The purchaser typically requests off-sets. Any offset agreement will be defined in negotiations between the purchaser and the contractor(s).

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives outside the United States.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
